Bachelor of Technology, Mechanical

June 2019

EXPERIENCE

MYNTRA, Bengaluru, India

August 2024 – Present

India's Largest Fashion & Lifestyle e-commerce platform (\$700M GMV) owned by Walmart

Deputy Director - Product Marketing & Analytics, Myntra Ads (April 2026 – Present)

Senior Manager - Product Marketing, Myntra Ads (August 2024 – March 2026)

Leading an 8-member team to launch and scale Ads products; define positioning, measurement, and adoption plan.

- Led GTM for Myntra's self-serve ads portal, developed advertiser onboarding messaging, trained 250+ seller-support reps, and launched through webinars & email marketing; defined post-launch measurement against activation and revenue targets; drove 15,000+ account activations and +\$450K MRR.
- Identified a mid-funnel whitespace opportunity through competitive benchmarking; developed positioning for contextual ads as a higher-margin format for fashion brands; built targeting playbook & pitch deck for sales team, validated via pilot, iterated on targeting logic, and scaled to 300+ advertisers and ~\$360K MRR within 6 months.
- Diagnosed keyword relevance as a critical product gap driving underperformance across 60%+ of campaigns; resolved a roadmap prioritization conflict with product leadership via business case; led keyword targeting feature development achieving 85% adoption, 15% CTR lift & 25% improvement in advertiser ROI.
- Quantified monetization gap with 59% of ad inventory underutilized due to SKU coverage gaps and miscalibrated bid floors; reset bid floors by category & expanded SKU coverage by recommending top-performing SKUs absent from campaigns to brands - reducing average CPC by 15% & improving inventory utilization from 41% to 62%.
- Automated 12 recurring report types for 4,000+ advertisers, eliminating 1,000+ hours/month; redeployed team toward insight-led optimization - reducing activation cycle by 7 days & improving renewal rates from 45% to 75%.

AMAZON, Bengaluru, India

August 2022 – August 2024

Account Manager, Large Customer Sales, Amazon Ads

Owned ads revenue growth for 30+ brands in Sports, Automotive, Home; media planning, optimization, & retention.

- Reframed growth strategy for 8 high-potential advertisers over-indexed on bottom-funnel; used share-of-voice & search trend data; developed full-funnel positioning & always-on campaign frameworks, generating \$12K in incremental MRR from Q3 2023.
- Owned 12-month experimentation roadmap for automotive category, iterating on creative strategy, audience segmentation, and bid optimization; drove 24% revenue growth, 15% CTR improvement, and 50% CPC reduction.
- Rescued \$90K in paused ad spend by diagnosing keyword bidding as the root cause for 10 stalled advertisers; replaced search with display retargeting achieving 1.6x ROI vs. prior search campaigns & retained 90% accounts.

EXXONMOBIL, Bengaluru, India

July 2019 – June 2022

Market Deployment Manager, Finished Lubes India

- Diagnosed stagnant e-commerce sales driven by fragmented listings and no ads structure; built a keyword-to-display advertising strategy and aligned supply chain and brand teams on listing quality and pricing - growing volume 253% and capturing 12% market share at 2.5x retail margins.
- Redesigned loyalty program for 750+ field reps, replaced gift component with direct bank transfer reducing attrition by 40%, improved mobile app adoption by 56% & geo-tagged 70% retail outlets within 6 months.
- Designed and launched Mobil's first ever Online Brand store on Amazon leading to 1000+ incremental orders.

SKILLS AND ACTIVITIES

- Amazon Ads console, Myntra Ads console, Google Analytics, Jira, SQL, Tableau, Power BI
